

## A Message from the Superintendent

Dear Friends and Families,

Welcome to the 2015-2016 school year. I've worked in education for many years and the beginning of each new school year brings excitement and anticipation to both students and staff alike. As I recall my childhood I distinctly remember walking into many of my classrooms on the first day. All I was looking for was a warm smile from my teacher or the reassurance that I had a friend in the same class. Either of these things allowed me to exhale knowing that it was going to be a good year.

As a school administrator it is no different now, but for different reasons. Now I am excited and full of anticipation for the implementation of all the plans that we have made for this school year: plans intended to improve the educational experience for each of our nearly 16,500 students. This year we are excited about a new Forensic Science course at the high schools (which is already proving to be very much in demand), a new elementary reading support program intended to ensure that all students are proficient readers by grade three, and the deployment of 2,655 new laptop computers district-wide.

Last year we began a strategic planning process that will carry over into this school year. Thus far we have written new vision, mission, and belief statements which can be found elsewhere in this newsletter. We have also determined the following goal areas: curriculum, technology, staff professional development, and district culture. These goal areas will be further refined in the early part of this school year and strategies for implementation will be developed. As written in our revised mission statement, we do all of this to help your child achieve a lifetime of success.

Let's work together to make 2015-2016 the best year ever!

Sincerely,  
Ron Roberts  
Superintendent

**Ron Roberts**  
Superintendent

### Keep Our Community & Our Youth Safe National DEA Prescription Drug Take Back Day

**Saturday, September 26, 2015**  
from 10 am – 2:00 pm

**Clinton Township Police Department**  
37985 Groesbeck Highway, Clinton Township

**Macomb County Sheriff's Department**  
43565 Elizabeth Road, Mt. Clemens

More than 60% of teens say prescription drugs are easy to get from the home medicine cabinet, the homes of relatives, or from friends. Bring expired or unused medicine for safe disposal. No liquids or needles. For information call the Chippewa Valley Coalition for Youth and Families at 723-2360.

### Coming Soon! Promoting Positive Parenting Program

A new initiative of Chippewa Valley Schools and the Chippewa Valley Coalition for Youth and Families that will provide resources, information, and tips for parents on ways to develop a growth mindset in your child. Watch for more details in your school newsletters and SchoolMessenger News.

# Chippewa Valley Schools Honors Its First Graduating Class – The Class of 1965

When the Chippewa Valley Big Reds hit the field for their Homecoming Game on October 9th there will be some special VIPs in attendance. The school's first graduating Class of 1965 will be there to enjoy the evening's festivities and cheer their alma mater on to victory. The alumni reunion committee representing the Class of 1965 and 1966 planned their 50th Class Reunion weekend around the school's Homecoming and will be on the campus to tour their old high school, march in the parade, and enjoy a tailgate reminiscing about their high school days.

The members of the 1965 football team will lead the 2015 team onto the field, participate in the coin toss and deliver the game ball. Halftime will also feature some special recognition and announcements. The classes of 1965 and 1966 have an entire weekend of celebrations planned including a golf outing and an evening dinner reception. For more information or to get in touch with the committee, call the Office of School and Community Relations at 586-723-2240.

*Chippewa Valley High School in 1965.*

## Homecoming Games

**October 9**

**Chippewa Valley High School Big Reds  
play Eisenhower @CVHS, 7 pm**

**October 2**

**Dakota High School Cougars  
play Romeo @DHS, 7 pm**

*Thank you to the Clinton Township Kiwanis Club for donating 72 backpacks filled with school supplies to benefit Chippewa Valley students. Matt and Mark Kleinhenz with Superintendent Ron Roberts.*

# Chippewa Valley Schools Strategic Plan

## New Strategic Plan involves all district stakeholders

The Chippewa Valley Board of Education recently approved a new vision and mission statement for our district along with four areas of focus designed to help guide our future planning.

Last school year our school district embarked on a comprehensive strategic planning process that involved five days of meetings at the district's administrative center where a 75-member strategic planning team comprised of students, parents, staff members, business and community leaders met to learn more about our district, discuss the future of education, and establish areas of focus for the district's future planning. Time was spent reviewing survey data and feedback from our community and staff. The participation of all community stakeholders was instrumental in developing the strategic plan document that was presented to the board for approval.

The next step in the process will consist of implementation teams that will develop specific strategies and goals for each area of focus.

### New Vision

***Chippewa Valley Schools – Setting the Standard for Educational Excellence***

### New Mission

***Inspiring and empowering learners to achieve a lifetime of success***

### Our Belief Statements

***In Chippewa Valley Schools we believe...***

- all students should be challenged and supported to reach their full potential.
- in a supportive environment that promotes creativity, growth, and individuality.
- in consistent, comprehensive, research-based instructional strategies.
- that a collaborative community partnership is necessary for our goals to be achieved.
- that all members of the Chippewa Valley community should feel welcomed, engaged and valued.
- that a warm, welcoming, and safe environment is conducive to learning.
- in data-driven decision making.
- that resources should be maximized to provide an equitable experience for all students.

### Our Areas of Focus

#### A Vision for Culture

Chippewa Valley Schools...Enhancing our community by embracing and celebrating diversity\*; connecting students, families, staff and community.

*\*The concept of diversity encompasses acceptance and respect. It means understanding that each individual is unique, and recognizing our individual differences. These can be along the dimensions of race, ethnicity, gender, sexual orientation, socio-economic status, age, physical abilities, religious beliefs, political beliefs, or other ideologies.*

#### A Vision for Technology

Chippewa Valley Schools will seamlessly integrate technology throughout the district in order to modernize the educational experience.

#### A Vision for Professional Learning

Advance the culture of professional learning to deliver a world-class education.

Professional Learning should be...

- Structured
- Balanced
- High Quality

#### A Vision for Curriculum

Each student will demonstrate creativity, critical thinking, collaboration, and communication skills to succeed in a competitive, ever-changing world.

# CVS High Schools Offer Exceptional Educational Programs

Our award-winning high school programs are well-known for being among the best in the state. Our students and staff continually win awards for excellence in academics, fine arts, and athletics at the state, national, and international level. At Chippewa Valley and Dakota High Schools we offer more than 200 courses, 38 different afterschool clubs and activities and 24 sports programs.

We offer 14 different Career Technical Education fields of study for students including our popular 2-year Medical Academy and our Mechatronics and Robotics program. Our Construction Trades program has a partnership with Habitat for Humanity and our students just finished building their eighth home.

We offer 15 different Advanced Placement courses, dual enrollment, and an early college program that allows students to earn college credit while still in high school. The International Academy of Macomb (IAM) high school, a Macomb Intermediate School District program, is located within the Chippewa Valley Ninth Grade Center and provides students from 17 different Macomb County School Districts a globally-focused course of study that leads to an international baccalaureate diploma.

For a complete list of high school courses and opportunities, check out our high school websites at [chippewavalleyschools.org](http://chippewavalleyschools.org).

## Career Technical Education Programs

- AP Calculus BC
- AP Statistics
- AP Biology
- AP Chemistry
- AP Environmental Science
- AP Physics
- AP Micro/Macro Economics
- AP European History
- AP Government
- AP Psychology
- AP World History
- AP US History

---

## Ninth grade centers prepare students for success in high school and beyond

The first year of high school is an important time in any student's academic career. Chippewa Valley's Ninth Grade Centers offer students a seamless transition to high school by providing a rich curriculum and a variety of extra-curricular opportunities for every student. First-year students will take most of their academic classes

within the freshman building, located on the main campus of each high school, but may travel to the 10-12 building for specialized instruction or advanced classes. The Ninth Grade Centers offer a smaller school setting with an innovative learning environment focused on creative and challenging experiences.

SchoolMessenger provides parents and guardians with electronic school news like upcoming events, school newsletters, snow day announcements, and important parent meetings. To make sure you are signed up to receive SchoolMessenger communications please sign in to the Parent Portal at [chippewavalleyschools.org](http://chippewavalleyschools.org) and be sure to update your current phone numbers and email addresses to receive school and district information. If you need password and login information please contact your child's school.

## Dakota High School Student Debuts on Broadway

Taylor Caldwell, a former Seneca Middle School student, was chosen to be a part of the cast of "School of Rock, the Musical". Taylor was chosen from 22,000 children who auditioned for the show in New York. As a cast member in the show she has been working under the direction of Andrew Lloyd Webber. The show begins this November at the Winter Garden Theatre. Seneca choir teacher Anita Coppel wrote, "We are so proud of Taylor at Seneca, especially because she is so sweet and humble. Her resume for a young girl is impressive to say the least." In addition to her part in the Broadway musical, Taylor is well known in the Detroit Gospel Choir circuit.

Taylor Caldwell and Andrew Lloyd Webber

## Dakota NHS Sponsors Clothing Drive to Benefit Turning Point

When Turning Point had a fire at their shelter this summer they lost all of their clothing for women and children. The Dakota National Honor Society immediately stepped in to help sponsor a clothing drive at their school. The generosity and support from the staff and community was amazing.

Dakota students Samantha Gibson, Samantha Bunk, Mikayla Maher, Briannah Beard, and Adam Majestic.

## Time to Register for Fall Community Education Classes!

We offer everything from Arts and Crafts to Yoga for our community. A complete Aquatics and Swim program for people of all ages, Trips and Tours for older adults, and more than 30 programs for youth. For more information go to [chippewavalleyschools.org](http://chippewavalleyschools.org), visit the Community Education tab. For more information, call 586-723-2050.

## CVS Students and Staff Receive Clinton Township Optimist Awards

On May 13th, the Clinton Township Area Optimist Club announced their Youth Appreciation Awards and Oratorical Contest Winners. Youth Appreciation Awards went to Olivia Livernois and Jacob Chludzinski from Chippewa Valley High School. Dakota High School winners were Marina Hyndman and Robert Gracin. Oratorical Contest Winners included Kaitlyn Schroeder and Austin Rieck from Dakota High School and Victoria Bickley from Seneca Middle School. Dr. Jerry Evanski, Principal, Erie Elementary School, received the 2015 Achievement in Education Award!

## Great Start Readiness Preschool Program

Chippewa Valley Schools is expanding its FREE state-funded preschool program for four-year-olds. Families must meet state guidelines for participation in the program. Children must be four years old by September 1, 2015, and live within the Chippewa Valley School District.

Classes meet for three hours, Monday – Thursday. Morning classes are held from 8:30 am-11:30 am, afternoon classes are held from 12:30 pm- 3:30 pm at three locations.

Clinton Township, MI 48038  
Call 586-723-5255 for more information.

## Bond Refunding Saves Taxpayer Dollars

The Chippewa Valley Schools Board of Education recently announced the successful sale of its 2015 Refunding Bonds, Series A in the amount of \$38,170,000 and 2015 Refunding Bonds, Series B in the amount of \$195,675,000. Bond refunding is similar to a homeowner refinancing their mortgage. The 2015 Refunding Bonds, Series A will reduce the school district's interest expense by approximately \$3,615,000. The Series B bonds will reduce the repayments to the Michigan School Bond Qualification and Loan Program by a total estimated amount of \$24,200,000. The estimated reduction is based upon the current school bond loan fund interest rate of 3.50%. Our district works hard to be fiscally responsible and to be good stewards of our tax dollars. Refunding the bonds at a lower rate will generate savings for our taxpayers and shorten the life of the bond payments. To see a list of bond updates go to [chippewavalleyschools.org](http://chippewavalleyschools.org), Our District, and click on the Bond Improvements.

## Chippewa Valley Schools Receives Perfect Financial Score

Thirty Michigan school districts and 20 charter schools received perfect scores in a recent financial analysis by Munetrix, an Auburn Hills-based consultancy firm. Chippewa Valley Schools was one of only two Macomb County School Districts to receive a perfect score! Munetrix measures a variety of factors when developing their fiscal indicator scores for Michigan public schools, including operations performance, enrollment trends and fund balance status. The measurements are based off of Michigan Department of Education data.

# Class of 2015

We salute the top students from Dakota High School, Chippewa Valley High School, and International Academy of Macomb Class of 2015. These students received the highest honor of Summa Cum Laude.

## DAKOTA HIGH SCHOOL

### JENNIFER BATTAGLIA

**COLLEGE:** Wayne State University  
**CAREER PLANS:** Pre-Med

## Chippewa Valley and the Clinton-Macomb Public Library partner together for the ConnectED Challenge

This fall all students in Chippewa Valley Schools will have access to free eBooks, online tutoring help, and other resources that will give students a leg up in school. CVS and CMPL are working together to meet the White House's ConnectED challenge, which encourages libraries to collaborate with school leaders to create partnerships so that every child enrolled in school has a public library card.

Our students will have access to the following online services through CMPL:

- Tutor.com, connect to a professional tutor online to receive help with difficult homework problems (4 pm-11 pm)
- Electronic reference sources including encyclopedias that can be used for writing school papers
- Pronunciator foreign language learning program
- eBooks and eMagazines (over 100 popular titles)
- Five free music downloads per week (over 7 million commercially produced songs)
- Use of the library's public computers featuring Office applications and internet access

If your child already has a library card no action is needed. If your child does not have a card already you will need to visit the library online or in person to upgrade the card for full access to books and other resources. For more information or for assistance in accessing your account please visit [www.cmpl.org](http://www.cmpl.org) or call 586-226-5000.

## Chippewa Valley Educational Foundation to hold annual Taste Fest Dinner and Auction

Mark your calendar for March 23, 2016, for the sixth annual A Taste for Education event to be held at Zuccaro Banquets and Catering. This event features delicious entrée tasting stations and desserts provided by some of Macomb County's finest restaurants and gourmet markets. Throughout the night attendees will enjoy entertainment while bidding on some great auction items. Please join us for a memorable evening while supporting

the students and programs of Chippewa Valley Schools.

Last year the Chippewa Valley Educational Foundation gave more than \$20,000 in classroom mini-grants benefiting over 9,000 students, donated \$6,000 to bring a visiting author to all 12 elementary schools, purchased \$10,000 in Lego Robotics equipment, and gave \$50,000 in college scholarships to our

high school seniors.

The Chippewa Valley Educational Foundation is a non-profit 501c3 organization established by a group of community and business leaders who recognized that the quality of an education system and the vitality of the community it serves are intertwined. Thank you to the following businesses for their support of our 2015 TasteFest.

### Senior Citizen Athletic Passes Now Available

District residents that are aged 62 and older are eligible to receive a Senior Citizen Athletic Pass to attend district athletic events free of charge. Proof of age and residency is required. To receive your athletic pass call the office of School and Community Relations at 586-723-2240.

### Free and Reduced Breakfast and Lunch Program

Be sure to apply for Free/Reduced Breakfast & Lunch for your children. LunchApp.com allows eligible families to easily apply for meal benefits for their children. Simply click Start An Application and LunchApp.com will walk you through the process in just a few minutes. Your completed application will be sent to us so your children can receive benefits quickly and confidentially. To learn more about the program go to [chippewavalleyschools.org](http://chippewavalleyschools.org) and click on the lunch menu tab. For more information call 723-2110.

# Annual Notices for Parents and Guardians

## Pesticide Notice

Chippewa Valley Schools utilizes an Integrated Pest Management (IPM) approach to control pests. One of the objectives of using an IPM approach is to reduce or eliminate the need for chemical applications of pesticides. Notice of pesticide applications will be posted at the school building. However, certain situations may require the need for pesticides to be utilized. You have the right to be informed prior to any pesticide application made to the school grounds and buildings. In certain emergencies,

pesticides may be applied without prior notice, but you will be provided notice following any such application. If you would like prior notification, you may notify the school district. If you prefer to receive notification by first class mail, please complete the attached form and return it to our office, or contact Kenneth Matheny at Elite Pest Management at 586-294-7055, Monday thru Friday 9:00 – 5:00 pm.

I would like to be notified before any specific pesticide application is made at this school. In the event an emergency application for a pest problem is needed, I will be notified afterward.

I would prefer to be contacted by (circle one):      Phone Call                      E-Mail

## FERPA Notice

The Family Educational Rights and Privacy Act (FERPA) permits the district to publish or otherwise disclose directory information relating to a student without the consent of the parent or eligible student, unless the parent or eligible student expressly objects to such disclosure. Chippewa Valley Schools considers the following as directory information. Names of students graduating, attaining honor rolls, or receiving special achievement awards, including past and present participation in officially recognized sports and activities, and height and weight of athletes.

If parents or eligible students object to publication of any of the above information, they must notify the Educational Services Department via email or letter. To notify via email contact Lori Durkee at [ldurkee@cvs.k12.mi.us](mailto:ldurkee@cvs.k12.mi.us), or Judy Pyszk at [jpyszk@cvs.k12.mi.us](mailto:jpyszk@cvs.k12.mi.us). To notify via letter please send to: Chippewa Valley Schools, Educational Services Dept., 19120 Cass Ave., Clinton Township, MI 48038. Please include your students' name, grade level, and the school they attend.

Directory information requested from the military or higher education institutions for secondary students will include student name, addresses and telephone listing unless the student (18 years old) or a parent notifies the school district not to release said information.

## AHERA NOTICE - 2015

The Environmental Protection Agency (EPA) requires that each year, district workers and building occupants receive notification about asbestos activities such as response actions and inspections. The purpose of this correspondence is to meet those requirements and familiarize you with the asbestos related activities that have been conducted in Chippewa Valley Schools during the past year.

## MANAGEMENT PLANS

Chippewa Valley Schools has contracted with an environmental consulting firm to conduct inspections and develop asbestos

Management Plans for asbestos containing material (ACM) within all district owned buildings. These Management Plans are located in the administrative office of each building and are available to the public for review. A copy of each building management plan is also located at the Maintenance Building.

## SURVEILLANCE ACTIVITIES

The AHERA regulation requires periodic surveillance of the condition of ACM every six months. The regulation also requires re-inspections conducted every three years by Michigan accredited inspectors. Chippewa Valley Schools has contracted with an

independent consulting firm, to conduct the re-inspections. The next re-inspection is scheduled for August 2016. Previous re-inspections and six month periodic inspections can be located in the building's Management Plans.

## ASBESTOS ABATEMENT

Chippewa Valley Schools has performed no asbestos abatement projects within the past year. Questions regarding asbestos removal projects or any asbestos-related issues can be addressed to Mr. Ken Hauer, Maintenance/Grounds Supervisor, at (586) 723-2252.
