Submitting an Assignment

Course Assignments

Each assignment may require you to make a submission. Once you've made a submission, the instructor can view the assignment, provide feedback, and upload a file back to you.

To submit a file to an assignment, follow these steps:

1. In the Assignment click **Submit Assignment**.
2. Use the **Add a Comment** area for questions and concerns (optional).
3. Select one of these options:
 1. **Upload**: Select a file from your computer.
 2. **Create**: Create a document on the web using the text editor.
 3. **Resources**: Select a file from your Resources
4. Click **Submit** to finish.

Personal Resources

Personal Resources

My Resources is your own personal library of documents that you create in Schoolology or download from other sites. It's easy to organize, create, and copy/move your resources right from the **My Resources** page. Saving your documents in this personal library enables you to access them for years to come and use them in any courses you take in the future.

To view your resources, click **Resources** at the top of Schoolology.

The screenshot shows the Schoolology interface. At the top, there is a blue navigation bar with the Schoolology logo and tabs for COURSES, GROUPS, RESOURCES (highlighted with a white circle), and GRADES. On the right side of the navigation bar are icons for search, a grid view, a calendar, an envelope, a notification bell with a '1' badge, and a globe. Below the navigation bar is a sidebar with icons for Search, Personal (selected), and Group. The main content area is titled 'My Resources' and contains a 'Home' collection. Below the 'Home' collection header is an 'Add Resources' button. A table header with a checkbox and the word 'Title' is visible. Below the table, a message states: 'There are currently no items in this collection'.

Conferences: Student View

Schoology Conferences provides real-time sharing of audio, video, slides, chat, and screen.

Click on the app in the side menu!

Click on title to join once the teacher starts the meeting

The screenshot shows the Schoology interface for a student. The breadcrumb trail is 'Home > Art - 1st: 12(A) > Conferences'. The left sidebar contains a list of navigation items: Materials, Updates, Grades, Attendance, Members, OneNote Class Notebo..., TeachTCI, and Conferences. The 'Conferences' item is circled in blue, and an arrow points from the text 'Click on the app in the side menu!' to it. The main content area shows a table with columns for Title, Start Time, and End Time. A single row is visible with the title 'TEST', start time '03/17/2020 at 12:30 AM', and status 'Not started'. The 'Not started' text is circled in blue.

Title	Start Time	End Time
TEST	03/17/2020 at 12:30 AM	Not started

The screenshot shows the same Schoology interface, but the status of the conference has changed. The breadcrumb trail is 'Home > Art - 1st: 12(A) > Conferences'. The left sidebar is identical to the previous screenshot. The main content area shows the same table, but the status of the 'TEST' conference is now 'In progress', which is circled in blue. An arrow points from the text 'Click on title to join once the teacher starts the meeting' to the 'TEST' title in the table.

Title	Start Time	End Time
TEST	03/17/2020 at 12:30 AM	In progress
