BOARD OF EDUCATION – REGULAR MEETING
ADMINISTRATION BUILDING**

October 19, 2020

President Bednard called the meeting to order at 6:30 p.m. and the Pledge of Allegiance was waived.

Present: Members Aquino, Bednard, Cardamone, DeMuyneck Zech,
Patzert, Pyden and Sobah
Absent: None
Also, Present: Mr. Roberts, Mr. Sederlund, Dr. Blanchard, Dr. Brosky, Ms. Licari,
Mr. Sibley, Mr. Kozlowski, Ms. Blain, Ms. Monnier-White and Ms. Adlam

Effective October 16, 2020, Governor Gretchen Whitmer signed Senate Bill 1108 amending the Open Meetings Act (OMA) to allow public bodies to conduct electronic “virtual” meetings with remote participation for any reason through the end of 2020, and in 2021 under specific circumstances. This amendment applies retroactively to March 18, 2020.

Additions/Deletions - None

Recognition/Presentations

- Plante Moran representatives, Ms. Jennifer Chambers and Mr. Kevin Taratuta, presented their report of the district’s financial statements for fiscal year ending June 30, 2020. Per Plante Moran, the district had a successful audit with clean opinions, which is an outstanding accomplishment.
- Dr. Donald Brosky (Asst. Superintendent Educational Services) along with the Educational Services team presented an overview of the preparations in place for the transition of the secondary level to hybrid instruction.
- Superintendent Roberts discussed COVID-19 data as it relates to the safe opening of our secondary schools.
- Superintendent Robert introduced Ms. Amanda Snider, recommended the candidate for the position of Dietitian/Food Coordinator.

From the Community

1. Ms. Angela Gerrard (district parent) continues to support hybrid learning. Encourages moving forward to bring back middle and high school. She has concerns with mask wearing for small children.
2. Mr. Mason Barrett (student) indicated he wants to go back to school. He feels computer learning is not working. Mason asks that the district open all the schools.
3. Ms. Kim Johnston (teacher) has concerns returning to hybrid instruction. Wants nothing more than going back to school to be with students. Returning to the classroom now would be a disservice to the students. Ms. Johnston believes failure rates would rise.
4. Ms. Khanam Setara (student) is very concerned about returning to in-person learning and feels it's risking her safety and the safety of her loved ones.
5. Ms. Yasmin Michalowicz (district parent) encourages the transition to hybrid learning. She feels her son is spending too much time in front of the computer and that it's causing stress for her son.
6. Ms. Terrylynn Steele (district parent) feels this is an impossible task and thinks the kids need to be back to in-person learning. Doesn't want her son or any other students to fall behind. Ms. Steele wants school to go back face-to-face.
7. Mr. Tom Sokol (district parent) complimented the efforts of the administration with regards to all the planning involved in bringing kids back to the buildings. Mr. Sokol addressed some Facebook concerns he has with Chippewa Valley Schools. He also indicated he would like to see all schools go back full-time face-to-face and feels it can be done since other school districts are making it happen.
8. Mr. Stephen Gaitens (community member/educator for neighboring district) indicated he feels students will be put at risk by going back to in-person instruction. Feels masks should be worn because it protects the person next to you.
9. Ms. Andrea Granata (district parent) has concerns with the hybrid plan at the high school level, specifically, how the district will be quarantining students. She feels the proposed hybrid plan is a step backwards and thinks 5 days of instruction if best for kids.
10. Ms. Angi Simon(district parent) thanked the Board of Education and Superintendent at last board meeting. Ms. Simon wants middle school students back to in-person learning, in front of teachers.
11. Ms. Jena Shannon (parent of IAM student/nurse) has concerns with the health affects on young people returning to in-person learning. Based on her experience, she believes we should remain in remote learning. Her 11th grade son fears returning to the classroom. She thinks by keeping kids at home it will save lives.

G.2 Approve Contract for Automatic External Defibrillator (AED) Purchase Mr. Sederlund

RECOMMENDED MOTION: “That the Chippewa Valley Schools Board of Education award a contract totaling \$33,595.00 to Adventric Technologies for automatic external defibrillators (AED) district-wide.”

RATIONALE: This project will consist of replacing 44 AEDs district-wide to meet FDA regulations.

The bids received were reviewed with the Building and Site Sub-Committee on Monday, October 19, 2020 and funding will come from the 2018 Building and Site Fund.

**CHIPPEWA VALLEY SCHOOLS
INTER-OFFICE MEMORANDUM**

To: Scott Sederlund Assistant Superintendent for Business and Operations

From: Laura Harrington Purchasing and Risk Management Supervisor

Date: October 15, 2020

Re: **Recommendation for Award of Bid Package Number 15.2021B
(Purchase of Automatic External Defibrillators)**

Please review this recommendation for award of Public Bid Package No. 15.2021B. The award of this bid will provide replacement of 44 automatic external defibrillators (AEDs). I requested firm unit cost pricing for the AED, case, and pads, medical authorization, AED management system, along with trade-in credits for existing AEDs.

Aggressive bid solicitation included two-week advertisements provided through the State of Michigan's SIGMA website and direct mailing from the Purchasing Department. Public bidding requirements were followed according to applicable State of Michigan laws and Board of Education policies. Five (5) proposals were opened October 2, 2020 and were based upon bidding documents prepared by the Purchasing Department. Another bidder, School Specialty, submitted a no bid.

The district currently owns 58 AEDs, but only 44 of them need to be replaced. AEDs are being replaced for two reasons. Medtronics LifePak 500 and Philips FR2 AED units will longer meet new Food and Drug Administration pre-market approval regulations. The FDA and Philips, the manufacturer, have identified some of the district's FRx AED units, those manufactured from 2002 – 2013, with having a possible electrical resistor failure and cannot be repaired. Our FRx AEDs continue to pass their automatic routine self-tests and are ready to use. The failure rate of these AEDs, according to Philips, is less than ½% per year and have been indemnified by the manufacturer. These units have received FDA pre-market approval; however, due to the possible resistor problem and aggressive trade-in value, I am recommending replacing these units at this time. The district's newer FRx AED units are not affected, and the purchase of new FRx units will standardize the fleet across the district.

I am recommending award to the low bidder, Aventric Technologies, for the purchase of 44 Philips FRx AED units, generic cases, and required supplies. Aventric Technologies also provided a credit of \$14,825 for trade in of 44 affected AEDs. They are also providing required medical prescription and authorization services at no cost. The awarded bidder will perform all services related to replacing and testing the units, and handling the trade in process. The total cost of this purchase is \$33,595 and will be funded through the 2018 Bond Fund. The Purchasing Department has previously utilized this bidder for the same service with great success.

Please contact me with any questions you may have at phone (586) 723-2152.

Bid Pack 2E: Door Access Control Expansion

Dear Mr. Sederlund,

Barton Malow and Wakely Associates evaluated the bid proposals for Bid Package 2E District Wide Door Access Control Expansion. It is the recommended motion that the Chippewa Valley Schools Board of Education awards the following contract as presented:

<u>Bid Category</u>	<u>Contractor</u>	<u>Amount</u>
260000 Carpentry	Technology Install Partners	\$347,991.98

This project includes expanding the card swipe access system to 84 additional door locations around the district. A list of doors per school is attached for your reference. The locations were provided and reviewed by the building principals.

This project was advertised in the local paper, State website, and posted online on Building Connected. The bids were received on Thursday, October 8, 2020 at 2:00 p.m. A post-bid review was conducted with both low bidders on Tuesday October 13, 2020. The bidders were required to provide unit pricing for additional components that will likely be necessary to expand the system network infrastructure. The second bidder provided lower unit pricing which made them the low, qualified bidder.

The project is within the 2018 Bond Issue program budget. The project will begin winter of 2020 and be complete in the summer of 2021. A bid summary and bid tabulation sheet is attached for review.

Please feel free to contact me at 586-615-1332 or jeff.atkins@bartonmalow.com if you should have any questions or comments regarding this award recommendation.

BARTON MALOW
