Administration Reports

Superintendent Roberts reported on the following:

- Recognized retirees, Cyndi Emmi, Robert Newvine and Mark Faoro as exemplary district employees and congratulated them on their retirement.
- Commended the work the Chippewa Valley Coalition for Youth and Families has done for our district under the direction of Dr. Charlene McGunn. He also recognized the Coalition Teen Councils. The coalition is sponsoring many remote activities to bring attention to the importance of keeping our youth drug and alcohol free.
- Discussed supporting facial coverings (masks) for Chippewa Valley Schools and the need to promote safety for students and staff. The requirement to wear facial coverings and follow social distancing guidelines was described in the CVS COVID-19 Return to School Requirements which was approved by the Board of Education last week. Clear information about masks is detailed in our Return to School Guidelines. As of today, the Michigan Department of Health and Human Services is also recommending wearing facial coverings. The Chippewa Valley Schools will require face masks for all students K-12.

- Superintendent Roberts discussed some of information occurring since the announcement of a return to school for K-5 students as well as special needs students. In August, parents were asked to decide to participate in the Chippewa Valley Virtual Academy (CVVA) or not. Currently, some parents would like to make a change to leave the CVVA and go hybrid or not go hybrid and join the CVVA. Setting up the schedules for all CVS students and staff is very complex. Moving students in and out of teaching formats will be extremely disruptive. At the secondary level will be even more difficult. The district is currently making lists and will give serious consideration to all requests. Medical reasons to switch to hybrid will be given top priority.

Curriculum Reports

Dr. Donald Brosky (Asst. Superintendent Educational Services) along with the Educational Services team presented a proposed learning plan for secondary instruction to go hybrid. Some of the topics of discussion included:

- Proposed schedules
- Returning students in phases
- Facial coverings
- Hybrid preparations
- Cafeteria social distancing
- Classroom social distancing

A proposed return date for secondary students to go hybrid is November 9, 2020.

Of and by Board Members

- Member DeMuyneck Zech inquired about food services for district students and the future Board of Education meeting formats.
- Member Cardamone suggested bringing secondary students into hybrid format in phases with middle school students returning first.
- Board of Education members discussed returning to an in-person meeting format for the October 19th Board of Education meeting.

MOTION #10/11/20 – Moved by Member Pyden and supported by Member Aquino to adjourn the meeting.

A roll call vote was taken. Member Pyden, yes; Member Aquino, yes; Member Bednard, yes; Member Cardamone, yes; Member DeMuynck Zech, yes; Member Patzert, yes and Member Sobah, yes. **Motion carried.**

Meeting adjourned at 8:24 p.m.

Respectfully submitted,

Laura Cardamone, Secretary
Board of Education

BARTON MALOW

DATE: October 8, 2020
TO: Scott Sederlund, Chippewa Valley Schools
FROM: Jeff Atkins, Barton Malow Company
RE: Chippewa Valley Schools
2018 Bond Issue Program
Covers for Emergency Alert Pull Stations

Barton Malow and Wakely Associates have reviewed the proposal from the contractor listed below to install covers with battery powered alarms on all emergency alert pull stations. District Principals and staff request covers added to provide a local warning deterring children from pulling false alarms. It is the recommended motion that the Board of Education awards a change order to the existing contract as presented.

<u>Bid Category</u>	<u>Contractor</u>	<u>Amount</u>
Security Alert	Master Electric	Not to Exceed \$36,024

All pull station locations that do not have covers are currently covered by video surveillance, however administrative staff have raised concerns with students pulling false alarms causing unnecessary evacuations and/or lockdowns. Pull station covers were requested as a primary deterrent to prevent false alarms. There are 262 emergency alert pull stations in the district without pull covers. The contractor will install the covers on second shift when children are not occupying the school building. Total cost to install all covers on second shift is \$40,924 (\$142 installed per cover + 10% second shift premium). However, if all 262 pull station covers are ordered at one time there is a \$4,900 bulk discount from the supplier. This amount is within the project contingency fund for the 2018 Bond Program.

Please feel free to contact me at jeff.atkins@bartonmalow.com or 586-615-1332, if you should have any questions or comments regarding this recommendation.

Subject: Chippewa Valley Schools

Bid Pack 2E: Water Bottle Fill Stations

Dear Mr. Sederlund,

Barton Malow and Wakely Associates evaluated the bid proposals for Bid Package 2E Water Bottle improvements. A post-bid review was conducted with the contractors listed below on Friday October 9, 2020, Monday October 12, 2020.

Upon review of low bidders for Mechanical work, the low bidder did not bid the full scope as put forward in plans and specs. Therefore, it is the recommended motion that the Chippewa Valley Schools Board of Education awards the low qualified bidder as presented below:

Bid Category: 230000: Mechanical

Watson Brothers Port Huron, MI.	Base Bid: _____	\$147,800
	Contract Amount:	\$147,800

Upon review of low bidders for Electrical work everything was in order. Therefore, it is the recommended motion that the Chippewa Valley Schools Board of Education awards the following contract as presented:

Bid Category: 260000: Electrical

Shoreview Electric Clinton Township, MI.	Base Bid: _____	\$55,196
	Contract Amount:	\$55,196

The project includes upgrading 54 water fountains around the district adding water bottle fill stations. The locations and scope selected for the water bottle stations at each school was reviewed by the principals.

This project was advertised in the local paper, State website, and posted online on Building Connected. Multiple bids were received on Thursday, October 8, 2020 at 2:00 p.m. The contractors listed above are the low, qualified bidders. The projects are within the 2018 Bond Issue program budget. The project will begin winter of 2020 and be complete in the summer of 2021. A bid summary and bid tabulation sheets are attached for review.

Access controls was also part of this bid package. At this time, bids are still under review and will be presented at a later date.

Please feel free to contact me at 586-615-1332 or jeff.atkins@bartonmalow.com if you should have any questions or comments regarding this award recommendation.
