

Setting up or Updating Your Account Profile

Chippewa Valley Schools/Little Turtle is moving to a convenient, mobile-friendly, online tool to register and manage your Child Care account from any device, including your smartphone or tablet. Below are some tips for creating your account and registering your student.

Create your Account Profile

- ✓ Browse to the website: <https://chippewavalleyschools.ce.eleyo.com/>
- ✓ Create your profile by selecting **Create an Account** (main eleyo page).
- ✓ When creating an account within the system, you will be required to enter your basic contact information including an email address (used for logging in) and a password. If your email address is recognized, use the *Send Forgot Password Email* to receive a password set email.
- ✓ Select *Manage All Relationships* to add family members and emergency contacts.

**An email will be sent from Eleyo with a link to verify your account. Use the Verify Your Email Address button on that email to verify your account.*

Add Family Members and Emergency Contacts

- ✓ If you are not already on the website, browse to <https://chippewavalleyschools.ce.eleyo.com/> and login with your email address and password by selecting the **Sign In** button (top right hand side).
- ✓ Select your name in the top right, corner of the screen then select **Your Account/Relationships** to view your profile.
- ✓ Use the **Add a Relationships** button to add all family members. When adding a grade for a Pre-K student, select Kindergarten and the year your child will be entering Kindergarten (you may edit this at a later date if needed).
- ✓ Select the **Create Person** button.
- ✓ After you have finished setting up the people associated with your profile, select **your name at the top of the page, Explore**, then **Explore All Programs** then **Your Dashboard**.
- ✓ On the left, under the *Manage Family Members section*, use the **Add Emergency Contacts** button to add new emergency contacts. Use the **Edit Emergency Contacts** button to update that information. In order to prevent creating duplicate users in the system, when adding an emergency contact that is already part of your profile, please search for the name then select from the list of existing users that are presented.
