

Chippewa Valley Schools - SUMMER SCHOOL 2024

HIGH SCHOOL CREDIT RECOVERY COURSES

Summer School will be held remotely this year. Students will register through the Community Education link below. Students may register for up to three 0.5 credit courses. Students will be completing the entire course at a location of their choosing. School computer labs will not be open to summer school students.

NOTE: Students will be working independently, with the support of a certified CVS teacher. In-district 9th – 11th grade students will have access to their school laptop over the summer. In-coming freshmen and current seniors will be able to borrow a laptop from the district IT Department. Out-of-district students must provide their own computer. Classes begin on Monday, June 24 and close on Thursday, August 8. Late registrations and drop requests close on Thursday, June 27. The district will be closed July 1-5 and summer school teachers will not be available. Students will have full access to their course(s) and may choose to work ahead.

Neither registration nor payment for a summer school course guarantee a passing grade or credit toward graduation requirements. It is highly recommended that students and parents consult their high school counselor before registering for courses.

All courses will be credit/no credit (CR/NC) To pass a course, students must complete 100% of all course activities with an overall grade of 60% or higher. Course results will be reported to counselors in late August when they return to prepare for the new school year.

Available Edgenuity Semester Courses – Students may choose a maximum of three semester courses:

Community Education Registration Link

<https://chippewavalleyschools.ce.eleyo.com/>

Community Education utilizes online registration for credit recovery courses. If you have not registered for a community education course yet this school year, you will have to create a new account. If you have already taken a credit recovery class or exam this school year, you already have an account and were emailed instructions to complete your account set up to the parent email on file. If you do not have that information, please follow the directions to set up a new password or contact Claudia at (586)723-6954 for more information. Please do not create another account.

TIMELINE

May 1, 2024	Registration begins online
June 17	Last Day of Registration
June 24	Summer school courses begin
June 27	Last day to add/drop summer school courses
