OJIBWA ELEMENTARY

The Ojibwa staff, in cooperation with the community, parents, and students, motivates and inspires all students to reach their highest potential through a dynamic, comprehensive curriculum provided in a nurturing environment.

February 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2023-24 educational progress for Ojibwa Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the school administration for assistance.

The AER is available for you to review electronically by visiting the following MISchoolData website: <u>https://bit.ly/3Xl48vz</u>, the Chippewa Valley Schools' website: <u>www.chippewavalleyschools.org</u>, or you may review a copy in the main office at Ojibwa Elementary School.

For the 2023-24 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given. Ojibwa Elementary School was not given one of these labels.

The Ojibwa Elementary staff is committed to empowering learners for a lifetime of success. We work diligently to improve student performance in the core academic areas of reading, writing, math, social studies, and science. Our staff prides itself on the instructional practices and interventions put in place to meet the needs of our diverse student body. We recognize that in conjunction with our families, we play an important role in the success of every child.

At Ojibwa Elementary we are dedicated to helping students work toward their highest potential. Professional development has focused on facilitating the needs of our students at their individual levels. We use best practice instructional strategies to ensure that students meet their learning goals.

In review of our 2023 and 2024 M-STEP data, our Spring 2023 and 2024 FastBridge and NWEA datawe have identified which students need improvement in reading, and are diligently working to help all students meet state standards. We are working to improve student achievement and close the achievement gap among our subgroups.

Our school district began implementing reading strategies and methods that align with the science of reading. Since this implementation began, we have continued to improve our practice and develop resources aligned to the science of reading. Along with these efforts to apply strategies and methods aligned to the science of reading, teachers meet in collaborative teams (PLCs) to discuss and use the data collected from M-STEP and FastBridge to guide their instruction and make decisions to meet the individual needs of our students.

In an effort to increase student achievement and close achievement gaps, the staff at Ojibwa has designed and implemented a Multi-Tiered System of Support (MTSS) program targeting specific skills of students struggling in English language arts (reading, writing, and listening). During data review, which occurs systematically throughout the school year, staff members utilize data from the FastBridge reading assessment to identify the specific learning needs of each child. Using this information and other assessment data, teachers determine areas of core instruction to be improved and enhanced as well as place students into research-based interventions focusing on early literacy skills, reading fluency, vocabulary development and comprehension strategies in an effort to help our students continue to grow and develop. In addition to our MTSS program, staff members continue to provide students with learning experiences that will prepare them for the rigorous curricular standards in all core subject areas.

Furthermore, efforts are being taken to ensure the social-emotional wellbeing of our students. As a staff, we recognize the importance of educating the "whole child" by focusing on character education and positive behavior. We have established a team of staff members to review our current systems and make the adjustments necessary to ensure the social-emotional well-being of our students.

State law requires that we also report additional information:

- Pupils are assigned to each individual building based upon guidelines set forth by the Board of Education. Assignments are based upon the location of each student's residence. Transfer requests from within the district are also considered. The district also accepts applications from students who reside outside the district. Spaces are allotted at each school.
- In March of 2021, Chippewa Valley completed a comprehensive System Accreditation Engagement Review through Cognia, a nonprofit organization that provides quality assurance for schools, school districts, and education service providers. The Cognia Global Accreditation Commission determined that Chippewa Valley Schools had earned the distinction of System Accreditation for a five-year period from 2021-2026. We are preparing for another Accreditation Engagement Review for the 2025-2026 school year.
- Chippewa Valley has established an integrated and dynamic relationship among curriculum/standards, instruction, and
 assessments. These practices are based on the Michigan State Standards. More information about CVS curriculum can
 be found by visiting <u>http://www.chippewavalleyschools.org/academics/curriculum</u> and
 <u>https://www.michigan.gov/mde/services/academic-standards</u>.
- Chippewa Valley School District administers the FastBridge FASTtrack assessment suite to students at various grade levels. FastBridge combines data from both broad and specific measures to provide intervention recommendations for the whole class and for individual students. In 21-22, we used this assessment suite to measure reading growth in grades K-2 and math growth in 2nd grade only. In 22-23, we used this assessment suite to measure both reading and math growth in grades K-3. These assessments are administered three times throughout the school year. The resulting data allows teachers to see the instructional ranges within their classroom and target their instruction to meet their students' specific needs.
- Chippewa Valley School District administers the NWEA Measures of Academic Progress® (MAP®) common benchmark assessments to students at various grade levels. NWEA is a computer-adaptative test that provides teachers with accurate information to help inform instruction. The purpose of these assessments is to provide data on individual students' growth. In 21-22, we used this assessment to measure reading and math growth in grades 3-10. In 22-23, we used this assessment to measure both reading and math growth in grades 4-10. This assessment is administered two to three times throughout the school year. The resulting data allows teachers to see the instructional ranges within their classroom and target their instruction to meet their students' specific needs.

• For more information on Chippewa Valley's balanced assessment program, please visit our district assessment page: https://www.chippewavalleyschools.org/downloads/edservices/cvs_assessment_plan.pdf

Our NWEA and FastBridge results for Reading and Mathematics for 2022-2023 and 2023-2024 can be found on the next page.

Parent-Teacher communication is a key to student success. We are committed to partnering with our families to support student success. Twice a year we host parent-teacher conferences and invite our families to attend. Parent attendance was 90% in the fall of 2024. The conferences allow families and teachers to focus on individual student growth and goal setting.

The Ojibwa staff is devoted to continuously working to help our students, families and community grow and succeed. Through our continued efforts and partnership with our families, Ojibwa's students will develop the strategies and skills necessary to become life-long learners. We are excited to continue the educational journey of learning and growing together and thank our community for their continued support. We look forward to paving the way for every student's success.

Sincerely,

Leo Kondzíołka

Leo Kondziolka Principal Ojibwa Elementary School

Ronald R. Roberts Superintendent

February 1, 2025

Dear Parents and Community Members:

We are pleased to present you with the 2024-2025 Annual Education Report (AER) which provides key information on the 2023-2024 educational progress for the Chippewa Valley School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact the Educational Services Department at (586) 723-2020 for help if you need assistance.

The District AER is available for you to review electronically by visiting the following web site: <u>https://tinyurl.com/CVSAER24-25</u> or you may review a copy in the Educational Services Department or main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress) MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English Language Arts and Mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

School Accountability Data

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates.
 Performance is measured on 0-100 index scales
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

• Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

• Provides information on school quality, climate, and safety

Please review the table listing our schools. For the 2024-2025 school year, schools were identified based on previous years' performance using definitions and labels as required in *Every Student Succeeds Act (ESSA)*. A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-2024. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-2022. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or has a graduation rate at or below 67% in 2021-2022. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiatives to Accelerate Achievement
Algonquin Middle School

Mohegan High School	CSI School	Leadership Coaching
Ojibwa Elementary		K-12 Mathematics
Ottawa Elementary		
Seneca Middle School		
Sequoyah Elementary		
Shawnee Elementary		
Wyandot Middle School		

It is my privilege to share with you the many ways Chippewa Valley continues to provide exceptional educational opportunities for all our students in Grades K-12. Our district offers a challenging curriculum aligned with state standards and benchmarks, ensuring our students are well-prepared for success for their next steps.

Literacy serves as the foundation of learning for all students, and we use data-informed decisions to shape curriculum and instruction. We are dedicated to maintaining a safe learning environment that meets the diverse needs of every student. Our commitment extends to supporting the whole child by fostering a sense of belonging, building strong relationships, and promoting academic growth. Additionally, we provide robust support for teachers, administrators, and staff to help every student achieve their full potential.

Both Chippewa Valley High School and Dakota High School stand out as leaders in education, offering over 200 courses, 38 extracurricular clubs and activities, and 24 sports programs. For students seeking a rigorous academic experience, our advanced placement courses provide an ideal foundation for college readiness. Teachers and students alike have received local, state, and national recognition for their innovative approaches and outstanding achievements in education. Additionally, our highly regarded fine arts, band, and choir programs continue to set the standard for excellence.

We are equally proud of our Career and Technical Education (CTE) programs, which connect students to real-world experiences and prepare them for a variety of career and educational pathways. These programs, led by industry-experienced teachers, offer invaluable insights into the skills and knowledge needed to thrive in today's workforce connecting classroom learning to practical applications, enhancing student readiness for the future.

Technology plays a vital role in supporting our students' education. Our district's one-to-one computer program, implemented in grades K-12, ensures every student has access to a consistent, compatible device. This initiative addresses issues of access and equity, ensuring all learners have the tools they need to succeed.

In Chippewa Valley, continuous improvement is a driving force. Our curriculum councils and school improvement teams—comprising talented educators and administrators—continuously refine teaching practices, align curriculum with state standards, and develop innovative programs. This commitment is demonstrated through initiatives like data-driven decision-making, multi-tiered systems of support, and the use of research-based materials. We are proud to maintain System Accreditation through Cognia, a nonprofit organization providing quality assurance for schools. This accreditation reflects our dedication to best practices, rigorous performance standards, and continuous improvement. Student performance data is regularly analyzed to ensure we meet and exceed expectations, and we are honored to hold this distinction through 2026.

Chippewa Valley also provides specialized services for students with academic or physical challenges, tailoring programs to meet the needs of every child in compliance with State and Federal laws. These services reflect our belief in the value and potential of every learner.

It is the policy of Chippewa Valley Schools not to discriminate on the basis of race, color, sex (including but not limited to sexual orientation, gender identity), religion, national origin or ancestry, age, disability, height, genetics, or marital status in its programs, services, activities, or employment. Inquiries related to nondiscrimination policies, questions, concerns or to file a complaint should be directed to: Civil Rights and Title IX Coordinator, Director of Human Resources, Chippewa Valley Schools Administration, 19120 Cass Avenue, Clinton Township, MI 48038 Phone: 586-723-2090 Email: <u>ablanchard@cvs.k12.mi.us</u> / Nondiscrimination inquiries related to disability should be directed to: Social Services, (same address) Phone: 586-723-2180 Email: <u>tkoch@cvs.k12.mi.us</u>. Civil Rights and Title IX inquiries can also be directed to the Department of Civil Rights at (800)482-3604 or <u>MDCRservicecenter@michigan.qov</u>.

We have taken steps to provide layers of support in English Language Development for our K-12 English Learners and their families with the goal for students to reach English Proficiency and exit the program. Exiting students demonstrate that they have proficiently acquired the English Language in both social and academic settings by passing the WIDA test administered each spring.

Beyond K-12 education, our district serves students of all ages. Infants, toddlers, and preschoolers are enrolled in our early childhood programs at Little Turtle Early Childhood Center and other elementary schools. Our Great Start Readiness Program (GSRP) provides full-day, tuition-free preschool at four elementary schools, ensuring a strong foundation for our youngest learners.

The Chippewa Valley Coalition for Youth and Families exemplifies the power of partnerships among our schools, parents, and community organizations. Together, we promote healthy, safe, and drug-free lifestyles while supporting families across the district.

Chippewa Valley Schools updated its Strategic Plan during the 2023-2024 school year, engaging staff and community members in shaping the district's future. More than 3,900 responses were collected through open-ended surveys, highlighting priorities in three main areas: Curriculum and Instruction, Climate and Culture, and Technology. Teams of district staff and subject matter experts collaborated to analyze the data and set measurable goals and strategies. This Strategic Planning Guide reflects our shared vision and provides a clear path for implementing programs and initiatives to foster continuous improvement and success.

Parent and community involvement remain the cornerstone of our success. Whether through PTOs, Booster Groups, Citizens Advisory Committees, or attendance at school events, the commitment of our parents and community is unmatched. Your engagement enriches our schools and fosters a thriving educational environment for every child.

Finally, we take immense pride in our safe, well-maintained facilities and the unique personality of each school. To learn more about our district or arrange a visit, please contact our Community Relations Department at (586) 723-2240.

Thank you for your continued support of School District Name. Together, we are creating a future filled with promise and possibility for every student.

Sincerely,

Ronald Roberts

Ronald Roberts Superintendent, Chippewa Valley Schools
